Deaf children and young people

Professionals

First diagnosis for my child

We have information on newborn hearing screening, specialist support for deaf children and information for parents if your child has been diagnosed as deaf.

Events near you

Get together with other families like yours to share experiences and tips.

Emotional health and wellbeing

If you're the parent of a deaf child, supporting the wellbeing and emotional health of everyone in your family is key to reducing mental health problems.

Trial our tech

Trial new technology to find what works for your child at home or in school.

E-newsletters
